Growing Together at the WALDGUT

For motivation, collaboration, or special occasions, the WALDGUT Naturresort offers the perfect setting for unforgettable team experiences. Surrounded by nature and plenty of space for connection, reflection, and inspiration, we design each event individually and personally.

Whether as an incentive, team retreat, workshop, or holiday celebration – the WALDGUT becomes a place for team events that connect, motivate, and inspire.

What makes your team event at the WALDGUT special:

- Location in the Saxon Switzerland National Park
- Inspiring spaces with views of nature
- Teambuilding programs (e.g. guided hikes, bike tours)
- Catering options from wholesome to festive
- Overnight stays with breakfast or self-catering in our chalet
- Seminar room available for workshops

For groups of up to 12 people, our chalet offers six double rooms, a spacious kitchen, living and dining area, and a private garden – ideal for retreats, workshops, and focused work in a relaxed setting.

For inquiries and personal consultation, feel free to contact us at: info@waldgut-naturresort.de
